

KIT LIST - ZAMBEZI CANOE ADVENTURE

The kit you take can make the difference between being 'just a trek' or a 'memorable trek'.

Our kit lists are put together with feedback from our own experiences and those of participants who have taken part in our previous trips. The items on this list do not take into account your personal preferences based on your previous experiences, or individual requirements.

PLEASE NOTE: This list is just a guideline and is not exhaustive or take into account personal preferences.

For information about items on this list please refer to the trip dossier or contact The Different Travel Company on info@different-travel.com

*Please consider eco-friendly or biodegradable options.
